

Washington Higher Education Facilities Authority (WHEFA) Request for Proposals (RFP) for Legal Services

Responses to Requests for Clarification and Inquiries

(WHEFA Responses in *italics* after each question)

1. Could we respond to one role (Student Loans) but not for the other (Higher Ed)?

WHEFA Response:

Per the RFP instructions, firms may apply to provide a subset of the Authority's legal services. For example, firms may apply to provide tax counsel services only, or for bond counsel services for only one program. Your response should state for which programs you propose to provide services.
